Pre-authorisation

The importance of pre-authorisation

We want everything to run smoothly when **you** need **treatment**. That way **you** can focus on getting better.

Why should I pre-authorise treatment?

So that **you** can tell **us** about **treatment** that **you** need to have. **You** should contact **us** before **you** have **your treatment** to give **us** the details. **We** can then:

- check if the policy covers **your treatment**
- check if the provider is part of **our network**
- help **you** find a provider within **our network**
- explain any limits that apply
- tell the provider that **you** are a **Bupa Global** member. **We** have agreements with **our network** providers for **treatment** charges
- case-manage complex **treatment**. The table of benefits clearly shows the complex **treatments we** want **you** to tell **us** about. Please contact **us** if **you** need any of these. **We** may ask for more information (for example to check if any policy exclusion applies)
- see if **we** can pay any bills directly to the provider. This will mean **you** don't have to pay and claim the costs from **us**.

If **you** have **treatment** with a provider who is not part of the **network**, **we** may only pay costs that are **reasonable and customary**. This could leave **you** with a shortfall to pay.

Before **we** can authorise **treatment** or pay a claim **we** may ask for more information, for example a medical report. If **we** don't receive this promptly, there may be a delay to pre-authorisation and to paying **your** claim. If **we** do not receive this at all, **we** may not be able to pay **your** claim.

We may appoint an independent medical professional and ask **you** to have a medical examination with them (at **our** cost). They will then give **us** a medical report.

When **you** have pre-authorised **treatment** with one of **our network** providers, **we** will cover the costs if, at the time **you** have that **treatment**:

- the policy is in force
- **you** are covered by the policy
- premiums are paid up to date
- the pre-authorisation is still valid. When **we** authorise treatment, **we** will tell **you** how long it is valid for.

How do I pre-authorise my treatment?

Login to the MembersWorld app, go to <https://membersworld.bupaglobal.com> or contact **us** by phone or email. When **we** have the details, **we** will send **you** and the provider a pre-authorisation statement.

What if my pre-authorisation is no longer valid? Can I get a new one?

Yes. Just follow the process again.

What if I need to go to hospital in an emergency?

In an emergency there might not be time to contact **us**. If this happens, it is important that the hospital contacts **us** within 48 hours.

The claiming process

If **you** need assistance with a claim **you** can

- Go online at <https://membersworld.bupaglobal.com>
- Call **us** on **+44 (0) 1273 323 563**
- Email info@bupaglobal.com

Whether **you** choose direct settlement or 'pay and claim' **we** provide a quick and easy claims process. **We** aim to arrange direct settlement wherever possible, but it has to be with the **agreement** of whoever is providing the **treatment**. In general, direct settlement can only be arranged for **in-patient treatment** or **day-case treatment**. Direct settlement is easier for **us** to arrange if **you** pre-authorise **your treatment** first, or if **you** use a participating **hospital** or **healthcare facility**.

How to make a claim

The quickest way to submit **your** claim is to log on to **your** MembersWorld account and submit **your** claim electronically. **You** have the choice of submitting an on-line claim or uploading any completed claim form.

Make sure **we've** got all the information as the biggest delay to paying a claim is normally incomplete, missing or ineligible information.

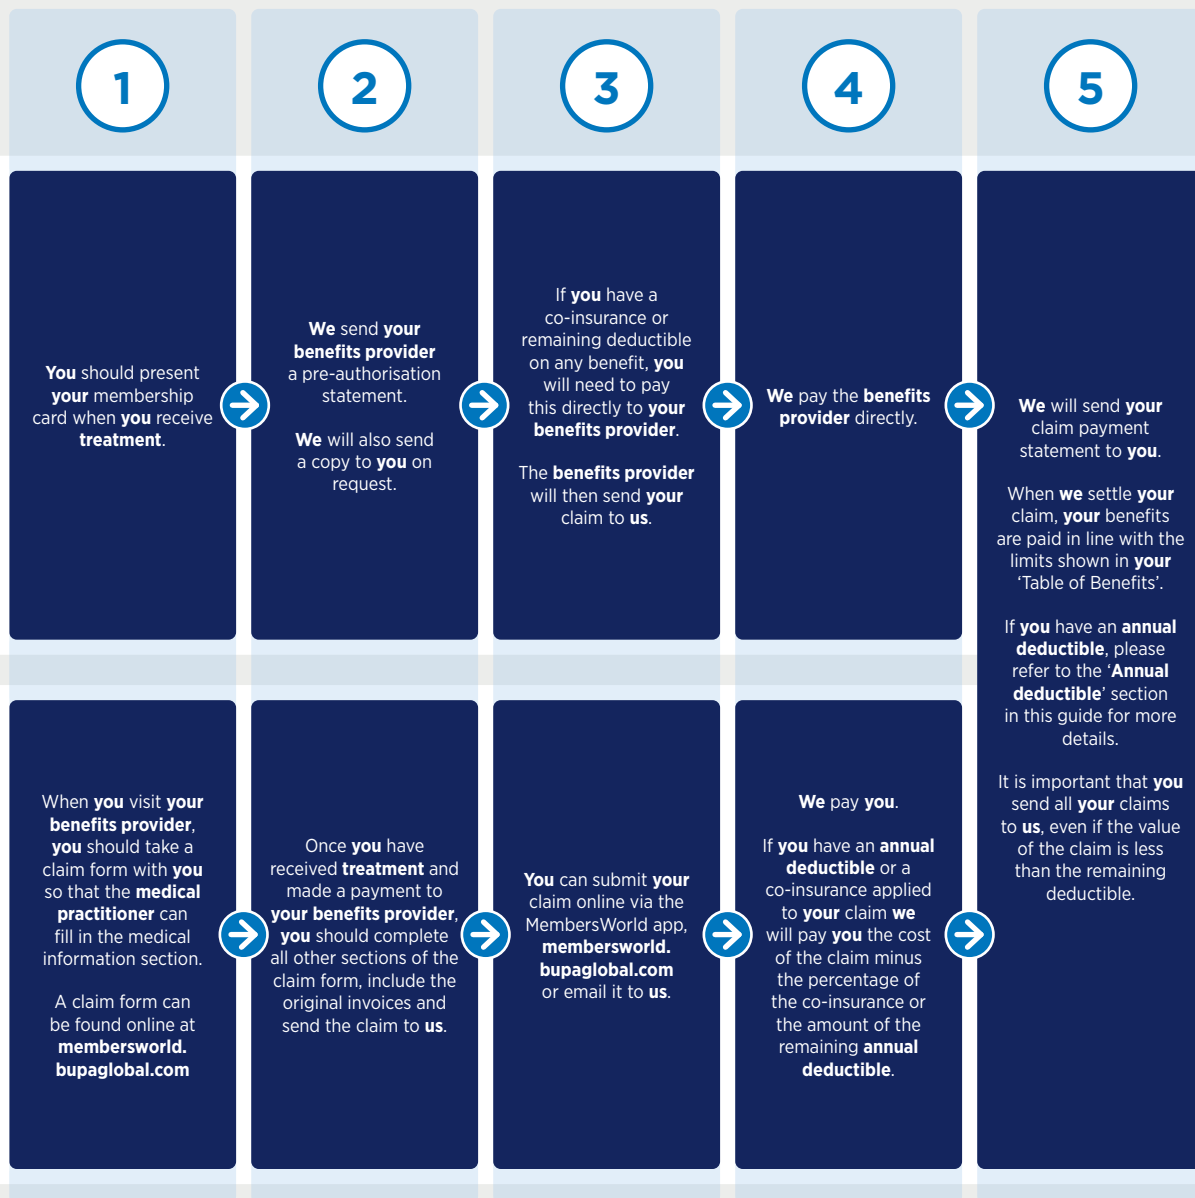

Make sure **you** have given **your** correct bank details. Reimbursement by bank transfer is by far the quickest way to receive **your** payment.

Direct Settlement

Direct settlement is where the provider of **your treatment** claims directly from **us**, making things easier for **you**.

Pay and Claim

The alternative is for **you** to pay and then claim back the costs from **us**.

How to use your plan

Step 1: Where to get treatment

As long as it is covered by **your** plan, **you** can have **your treatment** at any recognised **hospital** or clinic. If **you** don't know where to go, please contact **our** Healthline service for help and advice.

Participating hospitals

To help **you** find a facility quickly and easy, visit bupaglobal.com/en/facilities/finder. **We** can normally arrange direct settlement with these facilities too.

Getting treatment in the U.S.

You must call **our** dedicated team on 844 369 3797 (from inside the U.S.), or +1 844 369 3797 (from outside the U.S.) to arrange any **treatment** in the U.S.

Step 2: Contact us

If **you** know that **you** may need **treatment**, please contact **us** first. This gives **us** the chance to check **your** cover, and to make sure that **we** can give **you** the support of **our** global **networks**, **our** knowledge and **our** experience.

Pre-authorising in-patient treatment and day-case treatment

You must contact **us** whenever possible before **in-patient treatment** or **day-case treatment**, for pre-authorisation. This means that **we** can confirm to **you** and to **your hospital** that **your treatment** will be covered under **your** plan.

Pre-authorisation puts **us** directly in touch with **your hospital**, so that **we** can look after the details while **you** concentrate on getting well.

The 'Pre-authorisation' section contains all of the rules and information about this.

When **you** contact **us**, please have **your** membership number ready. **We** will ask some or all of the following questions:

- what condition are **you** suffering from?
- when did **your** symptoms first begin?
- when did **you** first see **your family doctor** about them?
- what **treatment** has been recommended?
- on what date will **you** receive the **treatment**?
- what is the name of **your consultant**?
- where will **your** proposed **treatment** take place?
- how long will **you** need to stay in **hospital**?

If **we** can pre-authorise **your treatment**, **we** will send a pre-authorisation statement that will also act as **your** claim form (see Step 3 below).

Step 3: Making a claim

Please read the 'Making a claim' section for full details of how to claim. Here are some guidelines and useful things to remember.

What to send

We must receive a fully completed claim form and the invoices for **your treatment**, within 2 years of the **treatment** date.

If this is not possible, please write to **us** with the details and **we** will see if an exception can be made.

Your claim form

You must ensure that **your** claim form is fully completed by **you** and by **your medical practitioner**. The claim form is important because it gives **us** all the information that **we** need. Contacting **you** or **your medical practitioner** for more information can take time, and an incomplete claim form is the most common reason for delayed payments.

You can download a claim form from **our** MembersWorld website, or contact **us** to send **you** one. Remember that if **your treatment** is pre-authorised, **your** pre-authorisation statement will act as **your** claim form.

How we make payments

Wherever possible, **we** will follow the instructions given to **us** in the payment section of the claim form:

- **we** can pay **you** or the **hospital**
- **we** can pay by cheque or by electronic transfer
- **we** can pay in over 80 currencies

To carry out electronic transfers, **we** need to know the full bank name, address, SWIFT code and (in Europe only) the IBAN number of **your** bank account. **You** can give **us** this information on the claim form.

Tracking a claim

We will process **your** claim as quickly as possible. **You** can easily check the progress of a claim **you** have made by logging on to **our** MembersWorld website.

Claim payment statement

When **your** claim has been assessed and paid, **we** will send a statement to **you** to confirm when and how it was paid, and who received the payment. Again, please contact **us** if **you** have any questions about this information.

About your Membership

The international group plan is a group insurance plan. **You** are therefore one of a group of members, which has a **sponsor** (normally the company that **you**, the **principal member** work for).

This plan is governed by an **agreement** between **your sponsor** and **RHI**, which covers the terms and conditions of **your** membership. This means that there is no legal contract between **you** and **RHI**. Only the **sponsor** and **RHI** have legal rights under the **agreement** relating to **your** cover, and only they can enforce the **agreement**. As a member of the plan, **you** do have access to **our** complaints process. This includes the use of any dispute resolution scheme **we** have for **our** members.

The following must be read together as they set out the terms and conditions of **your** membership:

- **you**, the **principal member's** application for cover: this includes any quote request, applications for cover for **you** and **your dependants** (if any) and the declarations that **you**, the **principal member** made during the application process
- **your** rules and benefits in this Membership Guide
- **your** membership certificate

The full name of **your** insurer is shown on **your** membership certificate.

When your cover starts

The start date of **your** membership is the 'effective from' date shown on **your** membership certificate.

If you move to a new country or change your specified country of nationality

You, the **principal member**, must tell **your sponsor** straight away if **your specified country of residence** or **your specified country of nationality** changes.

Your new country may have different regulations about health insurance. **You**, the **principal member** need to tell **your sponsor** of any change so that **we** can make sure that **you** have the right cover.

What is covered?

Please read this important information about the kind of costs that **we** cover.

Treatment that we cover

For **us** to cover any **treatment** that **you** receive, it must satisfy all of the following requirements:

- it is at least consistent with generally accepted standards of medical practice in the country in which **treatment** is being received
- it is clinically appropriate in terms of type, duration, location and frequency, and

- it is covered under the terms and conditions of the plan

We will not pay for **treatment** which in **our** reasonable opinion is inappropriate based on established clinical and medical practice, and **we** are entitled to conduct a review of **your treatment**, when it is reasonable for **us** to do so.

Active treatment

This plan covers **you** for the costs of **active treatment** only. By this **we** mean **treatment** of a disease, illness or injury that leads to **your** recovery, conservation of **your** condition or to restore **you** to **your** previous state of health as quickly as possible.

Note: please see 'Wellness' and 'Full Health Screening' in the table of benefits and 'Preventive and wellness **treatment**' in the 'What is not covered?' section for information on preventive **treatment**.

Our approach to costs

When **you** are in need of a benefit provider, **our** dedicated team can help **you** find a **recognised medical practitioner, hospital or healthcare facility** within **network**. Alternatively, **you** can view a summary of benefit providers on Facilities Finder at www.bupaglobal.com/en/facilities/finder. Where **you** choose to have **your treatment** and services with a benefit provider in **network**, **we** will cover all eligible costs of any covered benefits, once any applicable co-insurance or deductible amount which **you** are responsible to pay has been deducted from the total claimed amount.

Should **you** choose to have covered benefits with a benefit provider who is not part of **network**, **we** will only cover costs that are **Reasonable and Customary**. This means that the costs charged by the benefit provider must be no more than they would normally charge, and be similar to other benefit providers providing comparable health outcomes in the same geographical region. These may be determined by **our** experience of usual, and most common, charges in that region. Government or official medical bodies will sometimes publish guidelines for fees and medical practice (including established **treatment** plans, which outline the most appropriate course of care

for a specific condition, operation or procedure). In such cases, or where published insurance industry standards exist, **we** may refer to these global guidelines when assessing and paying claims. Charges in excess of published guidelines or **Reasonable and Customary** made by an 'out-of-network' benefit provider will not be paid.

This means that, should **you** choose to receive covered benefits from an 'out-of-network' benefit provider:

- **you** will be responsible for paying any amount over and above the amount which **we** reasonably determine to be **Reasonable and Customary** – this will be payable by **you** directly to **your** chosen 'out-of-network' benefit provider;
- **we** cannot control what amount **your** chosen 'out-of-network' benefit provider will seek to charge **you** directly.

There may be times when it is not possible for **you** to be treated at a benefit provider in **network**, for example, if **you** are taken to an 'out-of-network' benefit provider in an **emergency**. If this happens, **we** will cover eligible costs of any covered benefits (after any applicable co-insurance or deductible has been deducted).

If **you** are taken to an 'out-of-network' benefit provider in an **emergency**, it is important that **you**, or the benefit provider, contact **us** within 48 hours of **your** admission, or as soon as reasonably possible in the circumstances. If it is the best thing for **you**, **we** may arrange for **you** to be moved to a benefit provider in **network** to continue **your treatment** once **you** are stable. Should **you** decline to transfer to a benefit provider in **network** only the **Reasonable and Customary** costs of any covered benefits received following the date of the transfer being offered will be paid (after any applicable co-insurance or deductible has been deducted).

Additional rules may apply in respect of covered benefits received from an 'out-of-network' benefits provider in certain countries.

Table of benefits

The table of benefits shows the benefits, limits and the detailed rules that apply to **your** plan. **You** also need to read the 'What is not covered?' section so that **you** understand the exclusions on **your** plan.

Variations to your benefits

Your sponsor may have agreed variations to this benefit table with **your** insurer. If so, **your sponsor** will inform **you** of these variations.

How to read the Table of benefits

There are four levels of cover: Essential, Classic, Gold and Gold Superior. **You** need to read the column in the Table of benefits that applies to **your** level of cover, as shown on **your** membership certificate.

Benefit limits

There are two kinds of benefit limits shown in this table. The 'overall annual maximum' is the maximum **we** will pay for all benefits in total for each person, each **membership year**. Some benefits also have a limit applied to them separately; for example home nursing.

Gold Superior cover only: on the Gold Superior level, this 'overall annual maximum' also incorporates an annual maximum per condition.

All benefit limits apply per member. If a benefit limit also applies per **membership year**, this means that once a benefit limit has been reached, that benefit will no longer be available until **you**, the **principal member** renew **your** plan and start a new **membership year**.

If a benefit limit applies for the whole of **your** membership, once this benefit limit has been reached, no further benefits will be paid, regardless of the renewal of **your** plan. This applies to all Bupa administered plans **you** have been a member of in the past, or may be a member of in the future, even if **you** have had a break in **your** cover.

Currencies

All the benefit limits in this table of benefits and notes are set out in four currencies: SGD, GBP, USD and EUR. The currency in which **your sponsor** pays **us** premiums is the currency that applies to **your** membership for the purpose of the benefit limits. The currency applicable for **your** contract is as shown on **your** membership certificate.

For example, if **your sponsor** pays **us** premiums in GBP then the benefit limits given in GBP apply to **your** membership and SGD, USD and EUR limits do not apply to **you**.

If **you** are unsure which level of cover **you** have, the currency that applies to **your** membership, or whether **you**, the **principal member** have an **annual deductible**, **you** can either check on **your** membership certificate, through **our** MembersWorld website or contact the customer services helpline.

Assistance cover (Evacuation and Repatriation)					<p>Your membership certificate will show if you have purchased this cover. Please see 'Assistance cover' section.</p> <p>The overall annual maximum benefit limit does not apply.</p>

What is not covered?

In the 'Exclusion' section below, **we** list specific **treatments**, conditions and situations that **we** do not cover as part of **your** plan. In addition to these **you** may have personal exclusions or restrictions that apply to **your** plan, as shown on **your** membership certificate. No personal exclusions or restrictions shall apply where **we** have agreed with **your sponsor** that medical history has been disregarded.

Do you have cover for pre-existing conditions?

When **your sponsor** applied for **your** plan **you** may have been asked to provide all information about any disease, illness or injury for which **you** received medication, advice or **treatment**, or **you** had experienced symptoms before **you** became a customer - **we** call these **pre-existing conditions**.

Our medical team reviewed **your** medical history to decide the terms on which **we** offered **you** this plan. **We** may have offered to cover any **pre-existing conditions**, or decided to exclude specific **pre-existing conditions** or apply other restrictions to **your** plan. If **we** have applied any personal exclusion or other restrictions to **your** plan, this will be shown on **your** membership certificate. This means **we** will not cover costs for **treatment** of this **pre-existing condition**, related symptoms, or any condition that results from or is related to this **pre-existing condition**. Also **we** will not cover any **pre-existing conditions** that **you** did not disclose in **your** application.

If **we** have not applied a personal exclusion or restriction to **your** membership certificate, this means that any **pre-existing conditions** that **you** told **us** about in **your** application are covered under **your** plan. If **you** are unsure about anything in this section, please contact **us** for confirmation before **you** go for **your treatment**.

General Exclusions

The exclusions in this section apply in addition to and alongside any personal exclusions and restrictions explained above.

For all exclusions in this section, and for any personal exclusions or restrictions shown on **your** membership certificate, **we** do not pay for conditions which are directly related to:

- excluded conditions or **treatments**
- additional or increased costs arising from excluded conditions or **treatments**
- complications arising from excluded conditions or **treatments**

Important note:

Our global health plans are non-U.S. insurance products and accordingly are not designed to meet the requirements of the U.S. Patient Protection and Affordable Care Act (the Affordable Care Act). **Our** plans may not qualify as minimum essential coverage or meet the requirements of the individual mandate for the purposes of the Affordable Care Act, and **we** are unable to provide tax reporting on behalf of those U.S. taxpayers and other persons who may be subject to it. The provisions of the Affordable Care Act are complex and whether or not **you** or **your dependants** are subject to its requirements will depend on a number of factors. **You** should consult an independent professional financial or tax advisor for guidance. For customers whose coverage is provided under a group health plan, **you** should speak to **your** health plan administrator for more information.

Please note that, should **you** choose to have **treatment** or services with a benefit provider who is not part of **network**, **we** will only cover costs that are **Reasonable and Customary**. Additional rules may apply in respect of covered benefits received from an 'out-of-**network**' benefit provider in certain specific countries.

Pre-authorisation

This section contains rules and information about what pre-authorisation means and how it works.

We would like to make **you** aware that there are certain benefits which **you** must receive pre-authorisation for. These are detailed in **your** 'Table of Benefits'. Benefit may not be paid unless pre-authorisation has been provided.

What pre-authorisation means

If **we** pre-authorise **your treatment**, this means that **we** will pay up to the limits of **your** plan provided that all of the following requirements are met:

- the **treatment** is eligible **treatment** that
- is covered by **your** plan
- **you** have an active membership at the time that **treatment** takes place
- **your** premiums are paid up to date
- the **treatment** carried out matches the **treatment** authorised
- **you** have provided a full disclosure of the condition and **treatment** required
- **you** have enough benefit entitlement to cover the cost of the **treatment**
- **your** condition is not a **pre-existing condition** (see the 'What is not covered?' section)
- the **treatment** is **medically necessary**
- the **treatment** takes place within 31 days after pre-authorisation is given

From time to time **we** may ask **you** for more detailed medical information, for example, to rule out any relation to a **pre-existing condition**. **We** may require that **you** have a medical examination by an independent **medical practitioner** appointed by **us** (at **our** cost) who will then provide **us** with a medical report. If this information is not provided in a timely manner once requested this may result in a delay in pre-authorisation and to **your** claims being paid. If this information is not provided to **us** at all this may result in **your** claims not being paid.

Treatment we can pre-authorise

We can pre-authorise **in-patient treatment** and **day-case treatment**, cancer **treatment** and MRI, CT or PET scans.

Direct settlement/pay and claim

Direct settlement is where the provider of **your treatment** claims directly from **us**, making things easier for **you**. The alternative is for **you** to pay and then claim back the costs from **us**.

We aim to arrange direct settlement wherever possible, but it has to be with the **agreement** of whoever is providing the **treatment**. In general, direct settlement can only be arranged for **in-patient treatment** or **day-case treatment**.

Direct settlement is easier for **us** to arrange if **you** pre-authorise **your treatment** first, or if **you** use a participating **hospital** or clinic. Please note that direct settlement will not be available outside of restricted **networks** in countries where **we** have these in place. This means that if **you** decide to have **your treatment** at a **hospital** which is not in the restricted **network**, **you** must pay the cost of **your treatment** to the provider and submit **your** claim with proof of payment to **us**.

Length of stay (in-patient treatment)

Your pre-authorisation will specify an approved length of stay for **in-patient treatment**. This is the number of nights in **hospital** that **we** will cover **you** for. If **your treatment** will take longer than this approved length of stay, then **you** or **your consultant** must contact **us** for an extension to the pre-authorisation.

Treatment in the U.S.

All **in-patient treatment** and **day-case treatment**, cancer **treatment** and MRI, CT or PET scans in the U.S. must be pre-authorised. If **you** are going to receive any of these **treatments**, ask **your** medical provider to contact **our** dedicated team for pre-authorisation. All the information they need is on **your** membership card.

We have made special arrangements if **you** need to have **treatment** or be hospitalised or visit a doctor in the U.S. These include access to a select **network** of quality medical providers and direct settlement of all covered expenses when **you** receive **treatment** in a **network hospital**.

Treatment which has not been pre-authorised

If **you** choose not to get **your in-patient treatment** and **day-case treatment**, cancer **treatment** and MRI, CT or PET scans in the U.S. pre-authorised, **we** will only pay 50 percent towards the cost of covered **treatment**.

Of course **we** understand that there are times when **you** cannot get **your treatment** pre-authorised, such as in an **emergency**. If **you** are taken to **hospital** in an **emergency**, it is important that **you** arrange for the **hospital** to contact **us** within 48 hours of **your** admission, or as soon as reasonably possible in the circumstances. **We** can then make sure **you** are getting the right care, and in the right place. If **you** have been taken to a **hospital** which is not part of the **network** and, if it is the best thing for **you**, **we** may arrange for **you** to be moved to a **network hospital** to continue **your treatment** once **you** are stable. Should **you** decline to transfer to a provider in **network** (should this be offered to be arranged, where medically appropriate) only the **Reasonable and Customary** costs of any covered **treatment** or services received following the date of the transfer being offered will be paid (after any applicable co-insurance or deductible has been deducted).

If **we** have been notified within 48 hours of an **emergency** admission to **hospital**, **we** will not ask **you** to share the cost of **your treatment**.

Out of network treatment

Even if **your treatment** in the U.S. has been pre-authorised, but **you** choose to use a **hospital**, clinic or **medical practitioner** out of **network**, **we** will only pay **Reasonable and Customary** costs towards the cost of covered **treatment**. Please see the "**Our** approach to costs" section of this membership guide.

There may be times when it is not possible for **you** to be treated at a **network hospital**. These include:

- where there is no **network hospital** within 30 miles of **your** address, and
- when the **treatment you** need is not available in the **network hospital**

In these cases, **we** will not ask **you** to share the cost of **your treatment**.

Important rules

Please note that pre-authorisation is only valid if all the details of the authorised **treatment**, including dates and locations, match those of the **treatment** received. If there is a change in the **treatment** required, if **you** need to have further **treatment**, or if any other details change, then **you** or **your consultant** must contact **us** to pre-authorise this separately. **We** make **our** decision to approve **your treatment** based on the information given to **us**. **We** reserve the right to withdraw **our** decision if additional information is withheld or not given to **us** at the time the decision is being made.

We reserve the right to withdraw or amend **our** decision if information is subsequently received that may be contradictory to the information initially given to **us** at the time the decision is being made. Failure to comply with any request for additional information may be deemed to be indicative of fraudulent activities. Should such a failure occur, information may be disclosed to third parties (including other insurers) with the intention of preventing and detecting fraud.

Assistance Cover

(optional if purchased)

This section contains the rules and information for Assistance cover, an optional benefit which helps **you** if **you** need to travel to get the **treatment** that **you** need.

Note: there are two levels of Assistance cover: Evacuation and Repatriation. **Your** membership certificate will show if **you** have Evacuation or Repatriation but **you** can visit the MembersWorld website or contact the customer services helpline if **you** are unsure.

What is Assistance cover?

When the **treatment you** need is not available locally, the Evacuation and Repatriation options both cover **you** for reasonable transport costs to the nearest appropriate place of **treatment** where the **treatment that you** need is available, if it is not available locally. Repatriation also gives **you** the option of returning to **your specified country of nationality or your specified country of residence** when the **treatment** is not available locally.

We may not be able to arrange Evacuation or Repatriation in cases where the local situation makes it impossible, unreasonably dangerous or impractical to enter the area; for example from an oil rig or within a war zone.

Assistance cover-general rules

The following rules apply to both the Evacuation and Repatriation levels of cover:

- **you** must contact **our** appointed representatives for confirmation before **you** travel, on +44 (0) 1273 333 911
- **our** appointed representatives must agree the arrangements with **you**
- Assistance cover is applicable for **in-patient treatment** and **day-case treatment** only
- the **treatment** must be recommended by **your consultant or family doctor** and, for medical reasons, not available locally
- the **treatment** must be eligible under **your** plan
- **you** must have cover for the country **you** are being treated in, for example the U.S.
- **you** must have the appropriate level of Assistance cover in place before **you** need the **treatment**

Evacuation or Repatriation will not be eligible if **you** were aware of the symptoms of **your** condition before applying for Assistance cover.

We will not approve a transfer which in **our** reasonable opinion is inappropriate based on established clinical and medical practice, and **we** are entitled to conduct a review of **your** case, when it is reasonable for **us** to do so. Evacuation or Repatriation will not be authorised if this would be against medical advice.

How to arrange your Evacuation or Repatriation

Arrangements for Evacuation or Repatriation will be made by **our** appointed representatives and must be confirmed in advance by calling + 44 (0) 1273 333 911. **You** must provide **us** with any information or proof that **we** may reasonably ask **you** for to support **your** request. **We** will only pay if all arrangements are agreed in advance by **Bupa Global's** appointed representatives.

Evacuation cover:

What we will pay for

If **you** have Evacuation cover it will be shown on **your** membership certificate. If **you** are still unsure **you** can visit **our** MembersWorld website or contact the customer services helpline.

- **We** will pay in full for **your** reasonable transport costs for **in-patient treatment** or **day-case treatment**. It may also be authorised if **you** need advanced imaging or cancer **treatment** such as radiotherapy or chemotherapy.
- **We** will only pay for Evacuation to the nearest place where the required **treatment** is available when the required **treatment** is not available locally. This could be to another part of the country that **you** are in, and may not be **your** home country.
- **We** will pay for the reasonable travel costs for a relative or **your** partner to accompany **you**, but only if it is **medically necessary**.
- **We** will also pay for the reasonable costs of **yours** and **your** relative or partner's return journey to the place **you** were evacuated from. All arrangements for **your** return should be approved in advance by **Bupa Global** or **our**

appointed representatives.

We will pay for either:

- the reasonable cost of the return journey by the most direct route available by land or sea, or
- the cost of an economy class air ticket by the most direct route available, whichever is the lesser amount
- **we** will pay reasonable costs for the transportation only of **your** body, subject to airline requirements and restrictions, to **your** home country, in the event of **your** death while **you** are away from home. **We** do not pay for burial or cremation, the cost of burial caskets, or the transport costs for someone to collect or accompany **your** remains

Note: **we** do not pay for any other costs related to the evacuation such as hotel accommodation or taxis. Costs of any **treatment you** receive are not payable under Evacuation cover, but are payable from **your** medical cover as described in the 'What is covered?' section.

Please also note that for medical reasons the member receiving **treatment** may travel in a different class from their companion.

Repatriation cover:

What we will pay for

If **you** have Repatriation cover it will be shown on **your** membership certificate. If **you** are still unsure **you** can visit **our** MembersWorld website or contact the customer services helpline. Repatriation cover also includes Evacuation cover — see above.

- **We** will pay in full for **your** reasonable transport costs for **in-patient treatment** or **day-case treatment**.
- **We** will pay for repatriation to **your specified country of nationality or your specified country of residence**, when the required **treatment** is not available locally.
- **We** will pay for one repatriation for each illness or injury per lifetime.

- **We** will pay the reasonable costs for a relative or **your** partner to accompany **you** to **your specified country of nationality or your specified country of residence** if **we** have authorised this in advance of the repatriation.
- **We** will also pay an allowance of up to SGD 70, GBP 25, USD 50 or EUR 37 per day for up to 10 days to cover the living expenses of the person accompanying **you**.
- **We** will pay for **you** and the person accompanying **you** to return to where **you** were repatriated from. All arrangements for **your** return must be approved in advance by **Bupa Global** or **our** appointed representatives.

We will pay for either:

- the reasonable cost of the return journey by the most direct route available by land or sea, or
- the cost of a scheduled return economy class air ticket by the most direct route available, whichever is the lesser amount
- **we** will pay reasonable costs for the transportation only of **your** body, subject to airline requirements and restrictions, to **your** home country, in the event of **your** death while **you** are away from home. **We** do not pay for burial or cremation, the cost of burial caskets, or the transport costs for someone to collect or accompany **your** remains

Note: **we** do not pay for any other costs related to the repatriation such as hotel accommodation or taxis. Costs of any **treatment you** receive are not payable under Repatriation cover, but are payable from **your** medical cover as described in the 'What is covered?' section.

Please also note that for medical reasons the member receiving **treatment** may travel in a different class from their companion.

Annual Deductibles

Please read this section if **you** have an **annual deductible** on **your** plan.

Important – please remember that:

- the **annual deductible** applies separately to each person included on **your** membership
- even if the amount **you** are claiming is less than the **annual deductible**, **you** should still submit a claim to **us**
- this is an **annual deductible**, therefore, if **your** first claim is towards the end of **your membership year**, and **treatment** continues over **your renewal date**, the **annual deductible** is payable separately for **treatment** received in each **membership year**
- if **your** claims are paid direct to **your** medical provider, **you** are responsible for paying any deductible shortfall to the provider after the claim has been assessed and paid

What is an annual deductible?

The **annual deductible** is the total value that **your** eligible claims must reach each **membership year** before **we** will start to pay any benefit.

For example, if **you** have an **annual deductible** of USD 500, the total value of **your** eligible claims must reach USD 500 before **we** will pay any benefit.

The **annual deductible** applies separately to each person on **your**, the **principal member's** membership.

The amount of **your annual deductible** will be shown on **your** membership certificate, which **you** can view online at **our** MembersWorld website. If **you** are unsure whether **your** cover includes an **annual deductible**, please contact **our** customer services helpline.

At any point **you** can check the amount of **your** remaining **annual deductible** by contacting **our** customer services helpline.

Annual deductibles are only available on the following levels of cover:

- Essential
- Classic
- Gold

The following levels of cover do not qualify for **annual deductibles**:

- Classic with dental
- Gold with dental
- Gold Superior
- Gold Superior with optical and dental

How an annual deductible works

If a claim is smaller than **your** remaining **annual deductible**, **you** must still submit it to **us** as normal. **We** will not pay any benefit, but the claim will count towards reaching **your annual deductible**. **We** will send **you** a statement informing **you** how much is left.

If an eligible claim exceeds **your** remaining **annual deductible**, **we** will pay the amount of the claim less the remaining **annual deductible**.

Once **your annual deductible** is reached, **we** will pay all eligible claims in full, up to the benefit limits of **your** plan.

How claims are paid to you

If **you** submit a claim and have asked **us** to pay **you**:

- **your** benefit will be paid less the amount of the **annual deductible**
- **we** will send **you** a statement showing how **your** claim has been settled, including any amounts set against the **annual deductible**

How claims are paid direct to your medical provider

If **you** have asked **us** to make a payment direct to **your** medical provider:

- **we** will send payment to the medical provider for the eligible claim. **We** will deduct from this payment the remaining **annual deductible** on **your** membership

- **we** will send **you** a statement as usual, confirming the amount that **we** have paid towards **your** claim
- **you** are responsible for paying any shortfall to the provider after **your** claim has been assessed and paid

You are responsible for paying the **annual deductible** in all circumstances.

Making a claim

We want it to be simple for **you** to make a claim. **We** try to pay providers directly but sometimes this isn't possible.

Claim forms

Before **we** can pay a claim, **we** need to make sure that it is a valid claim. The claim form gives **us** the information that **we** need to check that **your** claim is valid. Please make sure that **you** complete the form. If not, **we** may have to ask for more information. This can take time and delay any payment. An incomplete claim form is the most common reason for delayed payments.

You can:

- complete a claim form in MembersWorld, or
- contact **us** and **we** will send **you** one.

You must make a separate claim for each:

- member
- condition
- in-patient or day-patient stay, and
- currency of claim.

If **you** need **treatment** for more than six months, **we** can ask **you** to complete a new claim form.

What we need for your claim

We need to receive the completed form, with any invoices, receipts and prescriptions related to the claim. This must be within two years of receiving the **treatment**. **We** do not pay claims that **we** receive more than two years after **treatment** unless there is a good reason why **you** couldn't make the claim earlier.

More information

We may ask for more information about **your** claim. For example:

- medical reports or other information about **your treatment**
- the results of any medical examination by a **medical practitioner** who **we** appointed and that **we** paid for.

If **you** don't give **us** the information **we** ask for, **we** may not be able to pay **your** claim.

Important

We only pay for **treatment**:

- **you** have while **you** are on the policy
- up to the benefit levels that apply at the time **you** have it
- costs that are **reasonable and customary**.

We can't return original documents to **you** - for example invoices. However, when **you** make a claim, **you** can send **us** copies. If **you** do send an original document, **we** can send **you** a copy if **you** ask **us**.

Confirming a claim

If **you** are aged 18 or over, **we'll** explain to **you** how **we** have dealt with **your** claim. For **dependants** aged 17 and under, **we** will write to the **principal member**.

How we pay your claim

Where possible, **we** follow the instructions in the 'Payment details' section of the claim form.

Who we will pay

We only make payments to the:

- member who received the **treatment**
- provider of the **treatment**
- **principal member**
- executor or administrator of the member's estate.

We pay a **dependant** only if:

- they received the **treatment**
- they are aged 18 or over, and
- **we** have their bank details.

We do not make payments to anyone else.

Payment method

We can:

- transfer payment to **your** bank account. This is quick and secure. However, **we** can send a payment only if **we** know details of where to send the payment, for example the full account number, SWIFT code, bank address and (in Europe only) IBAN number.
- pay by cheque. **You** should cash a cheque within six months. If **you** have an out-of-date cheque, please contact **us** and **we** will replace it.

If **your** bank charges **you** for a transfer **we** make, **we** will try to refund this as well. **We** do not pay any other bank charges, for example currency exchange fees.

Payment currency and conversions

We will reimburse **you** in the currency:

- in which **we** receive the premium
- of the invoices **you** send **us**, or
- of **your** bank account.

Sometimes banking rules may not let **us** pay in the currency **you** would like. So, **we** will pay in the currency **we** receive the premium in.

Very rarely, paying in a certain currency may be illegal or expose **us** (or the **Bupa Group**) to United Nations sanctions. If so:

- **we** may not be able to pay **you** immediately, or
- will pay **you** in a currency which **we** are allowed to and able to.

How we convert one currency to another

The exchange rate **we** use will be Reuters closing spot rate set at 16.00 **UK** time on the **UK** working day before the invoice date. If there is no invoice date, **we** will use **your treatment** date.

Other claim information

Incorrect payment of claims

If **we** incorrectly pay **your** claim, **we** can:

- deduct the incorrectly paid amount from future claims, or
- seek repayment from **you**.

Discretionary payments

If **we** may make a payment for a benefit **your** policy doesn't cover, **we** don't have to pay identical or similar costs in the future. The payment will count towards the overall annual maximum that applies to this policy.

Claiming for treatment when others are responsible

You may need to claim for **treatment** that **you** need because someone else is at fault. An example would be if **you** were a victim in a car crash. **You** will need to complete the relevant section of the claim form. **You** will also need to take any reasonable steps **we** ask of **you** to help **us**:

- recover from the person at fault the cost of the **treatment we** paid for. This could be through their insurance company.
- claim interest if **you** are entitled to do so.

We may make a claim in **your** name. **You** must give **us** any help **we** reasonably need to make that claim. For example:

- giving **us** any documents or witness statements
- signing court documents, and
- having a medical examination.

You must not:

- take any action
- settle any claim or

- do anything which has a negative effect on **our** right to claim in **your** name.

Claiming with joint or double insurance

If **you** have other insurance for costs **you** have claimed from **us**, **you** must:

- tell **us** about this when **you** make a claim from **us**
- complete the appropriate section of the claim form.

We will only pay **our** share of the costs.

What do we do to detect and prevent fraud?

We can check **your** details with:

- fraud prevention agencies
- other insurers, and
- other relevant third parties.

If **you** give **us** false or inaccurate information and **we** suspect fraud, **we** may record this with a fraud prevention agency. **We** and other organisations may also use these records to:

- help make decisions about cover for **you** and members of **your** plan
- help make decisions on other insurance proposals and claims for **you** and members of **your** plan/group
- trace debtors, recover debt, prevent fraud and to manage **your** insurance plans
- establish **your** identity
- undertake credit searches and other fraud searches.

Fraudulent claims

If a claim on the policy is fraudulent in any way, **we** can:

- refuse to pay it and any later claim
- recover any payments **we** have already made for it and for any later claim.

What if the policyholder makes a fraudulent claim?

We can cancel the policy. This will be from the date of that claim.

What if a dependant makes a fraudulent claim?

We can cancel their cover. This will be from the date of that claim.

In either case **we** don't have to refund any premium already paid to **us**.

What is an example of a fraudulent claim?

- making a false or exaggerated claim
- giving **us** false information. For example forged, falsified or manipulated documents
- not giving **us** information which **we** need to assess a claim
- refusing to give **us** information which **we** have reasonably asked for to assess a claim. For example, medical history reports, proof of payment and original invoices.

Your Membership

This section contains the rules about **your** membership, including when it will start and end, renewing **your** plan, how **you**, the **principal member** can change **your** cover and general information.

Paying premiums and other charges

Your sponsor has to pay any and all premiums due under the **agreement**, together with any other charges (such as insurance premium tax or goods and services tax) that may be payable.

Starting and renewing your membership

When your cover starts

Your membership starts on the 'effective date' shown on the first membership certificate that **we** sent **you**, the **principal member** for **your** current continuous period of international group membership.

Renewing your membership

The renewal of **your** membership is subject to **your sponsor** renewing **your** membership under the **agreement**.

Ending your membership

Your sponsor can end **your**, the **principal member's** membership, or that of any of **your dependants** (if applicable), from the first day of a month by writing to **us**. **We** cannot backdate the cancellation of **your** membership.

Your membership will automatically end:

- if the **agreement** between **RHI** and **your sponsor** is terminated
- if **your sponsor** does not renew **your** membership
- if **your sponsor** does not pay premiums or any other payment due under the **agreement** for **you** or for any other person
- if the membership of the **principal member** ends
- upon the death of the **principal member**

If you move to a new country or change your specified country of nationality

You, the **principal member** must tell **your sponsor** straight away if **your specified country of residence** or **your specified country of nationality** changes. **We** may need to end **your** membership if the change results in a breach of regulations governing the provision of healthcare cover to local nationals, residents or citizens.

The details of regulations vary from country to country and may change at any time.

In some countries **Bupa Global** have other local partners who are licensed to provide insurance cover but which are administered by **Bupa Global**. This means that customers experience the same quality **Bupa Global** service.

If **you** change **your specified country of residence** to a country where **we** have a local partner, in most cases **you** will be able to transfer to **our** partner's insurance policy without further medical underwriting. **You** may also be entitled to retain **your** continuity of **RHI** or **Bupa Global** membership; which means that for those benefits which aren't covered until **you** have been a member for a certain period, the time **you** were a member with **us** will count towards that. Please note that if **you** request a transfer to a local partner, **we** will have to share **your** personal information and medical history with the local partner.

If **you** change **your specified country of residence** or **your specified country of nationality**, please call **our** customer services helpline so **we** can confirm if **your** membership is affected, and, if so, whether **we** can offer **you** a transfer service.

After your Company membership ends

You, the **principal member** can apply to transfer to a personal plan if **your** membership of **your** group plan ends. **You** can also apply for **your dependants** (if applicable) to transfer with **you**. Please contact the customer service helpline for more information.

Making changes to your cover

The membership terms and conditions can change if:

- the **sponsor** and **RHI** agree, or
- laws or regulators say they must change.

We will send the **principal member** a new membership certificate if:

- they add a new **dependant** to the policy (if applicable)
- **we** need to record any other changes the **sponsor** asks for or that **we** make.

The new certificate will replace the previous one. It will take effect from the issue date (**you** can see this on the new certificate).

General information

Other parties

No other person is allowed to make or confirm any changes to **your** membership on **our** behalf, or decide not to enforce any of **our** rights.

No change to **your** membership will be valid unless it is confirmed in writing. Any confirmation of **your** cover will only be valid if it is confirmed in writing by **us**.

If **you**, the **principal member** change **your** correspondence address, please contact **us** as soon as reasonably possible, as **we** will send any correspondence to the address **you** last gave **us**.

Correspondence

Letters between **us** must be sent by post and with the postage paid. **We** do not return original documents, with the exception of official documents such as birth or death certificates. However, if **you** ask **us** at the time **you** send any original documents to **us**, such as invoices, **we** can provide certified copies.

Applicable law

Your membership is governed by the laws of Singapore. Any dispute that cannot otherwise be resolved will be dealt with by courts in Singapore.

If any dispute arises as to interpretation of this document then the English version of this document shall be deemed to be conclusive and taking precedence over any other language version of this document.

This can be obtained at all times by contacting the customer services helpline.

Provision of accurate and complete information

You and any **dependant** must take reasonable care to make sure that all information provided to **us** is accurate and complete, at the time **you** take out this membership, and at each renewal and variation of this membership. **You** and any **dependant** must also tell **us** if any of the answers to the questions in the application form change prior to this membership starting. Otherwise, the following apply with effect from the date the membership was taken out, renewed or varied (depending on when **we** were provided with inaccurate or incomplete information).

A. **We** may treat this membership as if it had not existed if **you** deliberately or recklessly give **us** inaccurate or incomplete information.

B. Where **you** negligently or carelessly give **us** inaccurate or incomplete information, or where A. applies but **we** choose not to rely on **our** rights under A, **we** may treat the membership and any claims in a way which reflects what **we** would have done if **we** had been provided with accurate and complete information, as follows:

- if **we** would have refused to cover **you** at all, **we** may treat this membership as if it had not existed;
- if **we** would have provided **you** with cover on different terms, then **we** may apply those different terms to this membership. This means a claim will only be paid if it is covered by and/or if **you** have complied with such different terms - for example **your** membership may contain new personal restrictions or exclusions;

and/or

- if **we** would have charged **you** a higher premium, **we** may reduce the amount payable on any claim by comparing the additional premium to the original premium. For example, **we** will only pay half of a claim, if **we** would have charged double the premium.

Where it is a **dependant** (or **you** on their behalf) who has provided incomplete or inaccurate information, the same rules apply but only to that part of the membership which applies to the **dependant**, or to claims made by that **dependant**.

The same rules apply if someone else provides **us** with information on **your** behalf or any **dependant's** behalf.

Liability

Our role under this policy is to provide **you** with insurance cover and sometimes to make arrangements (on **your** behalf) for **you** to receive any covered benefits. It is not **our** role to provide **you** with the actual covered benefits.

You the **principal member**, on behalf of yourself and the **dependants**, appoint **us** to act as agent for **you**, to make appointments or arrangements for **you** to receive covered benefits which **you** request. **We** will use reasonable care when acting as **your** agent.

We (and **Bupa group of companies and administrators**) shall not be liable to **you** or anyone else for any loss, damage, illness and/or injury that may occur as a result of **your** receiving any covered benefits, nor for any action or failure to act of any benefits provider or other person providing **you** with any covered benefits. **You** should be able to bring a claim directly against such benefits provider or other person.

Your statutory rights are not affected.

Sanction clause

We will not provide cover nor pay claims under this policy if **our** obligations (or the obligations of **our** group companies and administrators) under the laws of any relevant jurisdiction, including **UK**, European Union, the United States of America, or international law, prevent **us** from doing so. **We** will normally tell **you** if this is the case unless this would be unlawful or would compromise **our** reasonable security measures. This policy does not provide cover to the extent that such cover would expose **us** (or **our** group companies and administrators) to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, **UK** or United States of America, or under other relevant international law.

Adding Dependants

Adding dependants

If **your sponsor** agrees, **you**, the **principal member** may apply to include any of **your dependants** under **your** membership. To apply **you**, the **principal member** will need to complete a Company Application form which can be downloaded easily from membersworld.bupaglobal.com or **you** can contact **us** and **we** will send one to **you**.

The medical history for all additional **dependants you** apply to include on **your** membership will be reviewed by **our** medical underwriters. This may result in special restrictions or exclusions, which are personal to them and which will be shown on **your** membership certificate or **we** may decline to offer cover.

This does not apply if **your sponsor** has purchased cover with medical history disregarded. Please contact the customer services helpline if **you** are not sure if this applies to **you**.

Adding your Newborn

Newborn children are eligible for newborn care and can be included on **your** membership from their date of birth when **you** have completed a newborn application form and **we** have received it before **your** child is 30 days old.

If **your** application form is not received within 30 days of birth, the newborn care benefit will be eligible from the date of receipt up until the 90th day.

If **your** membership is subject to underwriting any exclusions or restrictions will be applied from their 91st day of birth, or **we** may decline to offer cover

Where full U.S. cover has not been purchased prior to the mother falling pregnant, newborn care/**treatment** will not be covered by the 28 day **emergency** U.S. cover or other, unless the baby is prematurely born in unforeseen circumstances.

Please read 'Newborn care' benefits in **your** 'Table of benefits'.

Adding U.S. cover to your plan

You the **principal member** can apply to include coverage in the U.S. at any time following **your** original date of joining. To apply **you** will need to complete a Company application form which can be downloaded easily from MembersWorld at membersworld.bupaglobal.com. **Your** application will be reviewed by **our** medical underwriters and may result in exclusions or restrictions specific to coverage in the U.S.

When cover starts for others on your membership

If any other person is included as a **dependant** under **your**, the **principal member's** membership, their membership will start on the 'effective date' on the first membership certificate **we** sent **you** for **your** current continuous period of international group membership which lists them as a **dependant**. Their membership can continue for as long as **you**, the **principal member** remain a member of the plan.

If **your**, the **principal member's** membership ceases, **your dependants** can then, of course, apply for membership in their own right.

4. Categories of personal information

Summary: For all **our** services, **we** process the following categories of personal information about **you** and (where this applies) **your dependants**:

- standard personal information (for example, information **we** use to contact **you**, identify **you** or manage **our** relationship with **you**); and
- special categories of information for example, health information; and
- information about criminal convictions and offences (**we** may get this information when carrying out fraud or money laundering checks, or other background screening to prevent crime).

More information:

Standard personal information includes:

- contact information, such as **your** name, username, address, email address and phone numbers;
- the country **you** live in, **your** age, **your** date of birth and national identifiers (such as **your** National Insurance number or passport number);

Criminal offences and convictions information includes:

- information collected as a result of fraud and money-laundering checks.

5. What we use your personal information for and our legal reasons for doing so

Summary: **We** process **your** personal information for the purposes set out in this privacy notice. **We** have also set out some legal reasons why **we** may process **your** personal information (these depend on what category of personal information **we** are processing). **We** normally process standard personal information if this is necessary to provide the services set out in a contract, it is in **our** or a third party's legitimate

interests or it is required or allowed by any law that applies. Please see below for more information about this and the reasons why **we** may need to process special category information and criminal offence and conviction information.

More information: By law, **we** must have a lawful reason for processing **your** personal information.

We process standard personal information about **you** if this is:

- **necessary to provide the services set out in a contract** – if **we** have a contract with **you**, **we** will process **your** personal information in order to fulfil that contract (that is, to provide **you** and **your dependants** with **our** products and services);
- **in our or a third party's legitimate interests** – details of those legitimate interests are set out in more detail in section 6 'legitimate interests' below.
- **required or allowed by law.**

We process special category information about **you** because:

- **it is necessary for the purposes of preventive or occupational medicine**, to assess whether **you** are able to work, medical diagnosis, to provide health or social care or **treatment**, or to manage health-care or social-care systems (including to monitor whether **we** are meeting expectations relating to **our** clinical and non-clinical performance);
- **it is necessary for an insurance purpose** (for example, advising on, arranging, providing or managing an insurance contract, dealing with a claim made under an insurance contract, or relating to rights and responsibilities arising in connection with an insurance contract or law);
- **it is necessary to establish, make or defend legal claims** (for example, claims against **us** for insurance);
- **it is necessary for the purposes of preventing or detecting an unlawful act** in circumstances where **we** must carry out checks without **your** permission so as not to affect the outcome of those checks (for example, anti-fraud and anti-money-laundering checks or to check other unlawful behaviour, or

carry out investigations with other insurers and third parties for the purpose of detecting fraud);

- **it is necessary for a purpose designed to protect the public against dishonesty, malpractice or other seriously improper behaviour** (for example, investigations in response to a safeguarding concern, a member's complaint or a regulator (such as the Care Quality Commission or the General Medical Council) telling **us** about an issue);
- **it is in the public interest, in line with any laws that apply;**
- **it is information that you have made public; or**
- **we have your permission.** As is best practice, **we** will only ask **you** for permission to process **your** personal information if there is no other legal reason to process it. If **we** need to ask for **your** permission, **we** will make it clear that this is what **we** are asking for, and ask **you** to confirm **your** choice to give **us** that permission. If **we** cannot provide a product or service without **your** permission (for example, **we** can't manage and run a health trust without health information), **we** will make this clear when **we** ask for **your** permission. If **you** later withdraw **your** permission, **we** will no longer be able to provide **you** with a product or service that relies on having **your** permission.

We process criminal offence and conviction information as part of money laundering checks to comply with financial crime requirements.

6. Legitimate interests

Summary: **We** process **your** personal information for a number of legitimate interests, including managing all aspects of **our** relationship with **you**, for marketing, to help **us** improve **our** services and products, and in order to exercise **our** rights or handle claims. More detailed information about **our** legitimate interests is set out below.

More information: Legitimate interest is one of the legal reasons why **we** may process **your** personal information. Taking into account **your** interests, rights and freedoms, legitimate interests which allow **us** to process **your** personal information include:

- to manage **our** relationship with **you**, **our** business and third parties who provide products or services for **us** (for example, to check that **you** have received a service that **you're** covered for, to validate invoices and so on);
- to provide health-care services on behalf of a third party (for example, **your** employer);
- to make sure that claims are handled efficiently and to investigate complaints (for example, **we** may ask **your treatment** provider for information to make sure **we** receive accurate information and to monitor the quality of **your treatment** and care);
- to keep **our** records up to date and to provide **you** with marketing as allowed by law;
- to develop and carry out marketing activities and to show **you** information that is of interest to **you**, based on **our** understanding of **your** preferences (**we** combine information **you** give **us** with information **we** receive about **you** from third parties to help **us** understand **you** better);
- for statistical research and analysis so that **we** can monitor and improve products, services, websites and apps, or develop new ones;
- to contact **you** about market research **we** are carrying out;
- to monitor how well **we** are meeting **our** clinical and non-clinical performance expectations in the case of health-care providers;
- to enforce or apply **our** website terms of use, **our** policy terms and conditions or other contracts, or to protect **our** (or **our** customers' or other people's) rights, property or safety;
- to exercise **our** rights, to defend ourselves from claims and to keep to laws and regulations that apply to **us** and the third parties **we** work with; and
- to take part in, or be the subject of, any sale, purchase, merger or takeover of all or part of the Bupa business.

7. Marketing and preferences

We may use **your** personal information to send **you** marketing by post, by phone, through social media, by email and by text.

We can only use **your** personal information to send **you** marketing material if **we** have **your** permission or a legitimate interest as described above.

If **you** don't want to receive emails from **us**, **you** can click on the 'unsubscribe' link that appears in all emails **we** send. If **you** don't want to receive texts from **us** **you** can tell **us** by contacting **us** at any time. Otherwise, **you** can always contact **us** to update **your** contact preferences. See section 14 'data protection contacts' for details of how to contact **us**.

You have the right to object to direct marketing and profiling (the automated processing of **your** information to help **us** evaluate certain things about **you**, for example, **your** personal preferences and **your** interests) relating to direct marketing. Please see section 13 'your rights' below for more details.

8. Processing for profiling and automated decision-making

Summary: Like many businesses, **we** sometimes use automation to provide **you** with a quicker, better, more consistent and fair service, and marketing information **we** think will be of interest to **you** (including discounts on **our** products and services). This will involve evaluating information about **you** and, in some cases, using technology to provide **you** with automatic responses or decisions (automated decisions). Please see 'more information' below for further details.

You have the right to object to direct marketing and profiling relating to direct marketing (see section 13 'your rights' for more information). **You** may also have the right to object to other types of profiling and automated decision-making set out below. In these cases, **you** have the right to ask **us** to make sure that one of **our** advisers reviews an automated decision, to let **us** know how **you** feel about it and to ask **us** to reconsider the decision. **You** can contact **us** to exercise these rights. See

section 14 'data protection contacts' for full contact details.

More information:

By law, **we** must tell **you** about:

- automated decision-making (making a decision using technology, without any person being involved); and
- profiling (automated processing of **your** information to help **us** evaluate certain things about **you**, for example, **your** personal preferences and **your** interests).

This is because **you** have certain rights relating to both automated decision-making and profiling. **You** have the right to object to profiling relating to direct marketing. If **you** do this, **we** will no longer carry out profiling for direct marketing purposes. **You** also have the right to object to profiling in other circumstances set out below.

When **we** make decisions using only automated processing which produce legal effects which concern **you** or which have a significant effect on **you**, **we** will let **you** know. **You** then have 21 days to ask **us** to reconsider **our** decision or to make a new decision that is not based only on automated processing. If **we** receive a request from **you**, within 21 days of receiving **your** request, **we** will:

- consider the request, including any information **you** have provided that is relevant to it;
- meet **your** request; and
- let **you** know in writing what **we** have done to meet **your** request, and the outcome.

You can contact **us** (see section 14 'data protection contacts' for details) to ask about these rights (see section 13 'your rights' for more details).

Profiling and automated decision-making

The processes set out below involve both profiling and automated decision-making.

- Depending on the type of insurance product that **you** want to benefit from, to help **us** decide what level of cover **we** can offer **you**, **we** will ask **you** to provide information about

your medical history. **We** may use software to review this information to find out whether **you** have any previous or existing health conditions which **we** cannot cover **you** for and which will be excluded from **your** policy.

- **We** may use software to help **us** calculate the price of products and services based on what **we** know about **you** and other customers. For example, **our** technology may analyse information about **your** claims history and compare it with the information **we** hold about previous claims to evaluate how likely **you** are to need to make a claim. **We** may also evaluate **your** age, where **you** live and other details relating to **your** health (such as existing health conditions and whether **you** smoke) to calculate prices for community-rated products which are based on predefined groups with similar risk profiles.

Profiling

The processes set out below involve profiling.

- In order to improve outcomes and be more efficient, and allow **us** to offer advice about different **treatment** paths (for example, alternatives to surgery or other invasive **treatments**), **we** may use software to evaluate medical history and information about the general population in an area to identify customers who are likely to need that advice most.
- When **your** policy is due for renewal, **our** software tells **us** this and may also evaluate **your** payment and claims history, information about the general information in a particular area, other information **you** have given **us** about yourself, and other information from third parties to automatically provide **you** with information about what incentives **we** can offer **you** and the marketing messages **you** will receive.
- **We** ask other organisations to carry out some of **our** consumer and market analysis to improve **our** marketing processes. This involves sharing personal information relating to **our** customers with third parties who specialise in profiling and segmenting people (putting people into groups of different types of customer, based on different kinds of

information collected about them, to help **us** to better target **our** products to them). These companies match the information **we** give them with information they get from other sources to improve the accuracy of their analysis. **We** use the results of this analysis to help **us** target marketing and offers.

- **We** may use information about the products **you** have bought, and information about what other customers who have bought the same products **you** have bought, to make sure **we** send **you** information about the products **you** are most likely to be interested in.
- **We** may share **your** personal information (including **your** name, date of birth, sex and the country **you** live in) with third-party companies who carry out fraud checks. **We** will review any matches from this process. (**We** will not use automated decision-making for this.)

9. Sharing your information

Summary: **We** share **your** information within the **Bupa Group**, with relevant policyholders (including **your** employer if **you** are covered under a group scheme), with funders arranging services on **your** behalf, with people acting on **your** behalf (for example, brokers and other agents) and with others who help **us** provide services to **you** (for example, health-care providers and medical-assistance providers) or who **we** need information from to allow **us** to handle or confirm claims or entitlements (for example, professional associations). **We** also share **your** information in line with the law. For more information about who **we** share **your** information with and why, please see below.

More information: **We** sometimes need to share **your** information with other people or organisations for the purposes set out in this privacy notice. The exact information **we** share depends on the reason **we** are sharing it. For example, if **we** need to share information in order to provide health care, **we** will share special categories of information, such as medical details, with the **treatment** provider.

For all our customers, we share your information with:

- other members of the **Bupa Group** of companies in order to provide **our** products and services;
- other organisations **you** belong to, or are professionally associated with, in order to confirm **your** entitlement to claim discounts on **our** products and services;
- doctors, clinicians and other health-care professionals, **hospitals**, clinics and other health-care providers;
- suppliers who help deliver products or services on **our** behalf;
- people or organisations **we** have to, or are allowed to, share **your** personal information with by law (for example, for fraud-prevention or safeguarding purposes, including with the Care Quality Commission);
- the police and other law-enforcement agencies to help them perform their duties, or with others if **we** have to do this by law or under a court order;
- organisations that carry out surveys on **our** behalf;
- if **we** (or any member of the **Bupa group**) sell or buy any business or assets, the potential buyer or seller of that business or those assets; and
- a third party who takes over any or all of the **Bupa Group's** assets (in which case personal information **we** hold about **our** customers or visitors to the website may be one of the assets the third party takes over).

If we provide insurance or manage a health-care trust, we share your information with:

- the policyholder or their agent if **you** are not the main member under an individual policy (**we** will send them all membership documents and confirmation of how **we** have dealt with a claim, and all people who are insured on the policy may have access to correspondence and other information **we** provide through **our** online portal);
- **your** employer (or their broker or agent) for product or service administration purposes if **you** are a member or beneficiary under **your** employer's group scheme;

- **your** broker or agent (or both);
- other third parties **we** work with to provide **our** products and services, such as agents working on **our** behalf, other insurers and reinsurers, actuaries, auditors, solicitors, translators and interpreters, tax advisers, debt-collection agencies, credit-reference agencies, fraud-detection agencies (including insurance counter-fraud groups), regulators, data-protection supervisory authorities, health-care professionals, health-care providers and medical-assistance providers; and
- organisations who provide **your treatment** and other benefits, including travel-assistance services.

If **we** share **your** personal information, **we** will make sure appropriate protection is in place to protect **your** personal information in line with data-protection laws.

10. Anonymised and combined information

We support ethically approved clinical research. **We** may use anonymised information (with all names and other identifying information removed) or information that is combined with other people's information, or reveal it to others, for research or statistical purposes. **You** cannot be identified from this information and **we** will only share the information in line with legal **agreements** which set out an agreed, limited purpose and prevent the information being used for commercial gain.

11. Transferring information outside the European Economic Area (EEA)

We deal with many international organisations and use global information systems. As a result, **we** transfer **your** personal information to countries outside the EEA (the EU member states plus Norway, Liechtenstein and Iceland) for the purposes set out in this privacy notice.

We take steps to make sure that, when **we** transfer **your** personal information to another country, appropriate protection is in place, in line with data-protection laws. Often, this protection is set out under a contract with the organisation who

receives that information. For more information about this protection, please contact **us** at info@bupaglobal.com.

12. How long we keep your personal information

We keep **your** personal information in line with set periods calculated using the following criteria.

- How long **you** have been a customer with **us**, the types of products or services **you** have with **us**, and when **you** will stop being **our** customer.
- How long it is reasonable to keep records to show **we** have met the obligations **we** have to **you** and by law.
- Any time limits for making a claim.
- Any periods for keeping information which are set by law or recommended by regulators, professional bodies or associations.
- Any relevant proceedings that apply.
